PEEL OFF ALGINATE MASK

## Rosemary Lavender Masque

part of the *Emotion Masque*

Collection, is designed to nourish, hydrate and restore suppleness to the skin.

Vitamin E and Provitamin A (Retinol) found in olive oil protects young cells, heading off free radicals and retaining the hydrolipidic balance which strengthens skin against fatigue and aging.

 Product Color

•**Vitamin A: Retinol** has a regulating and regenerating activity on cells (3). Boosting the cell 's metabolism, vitamin A improves the condition of mature skins and encourages cells to renew themselves (4). It protects the skin from UV caused damage (5) and prevents wrinkle formation (6).

### DIRECTIONS FOR USE

#### Dose

One ounce (30 g) of powder and 3 oz (90 g) of water.

#### Mixing

Pour the water all at once on the powder, stir quickly and vigorously for one minute to obtain a homogeneous paste. Important: use water at 65°F/20°C.

#### Applying

Apply the paste immediately to the face. The mask sets in 5 minutes following application.

#### Treatment Time

Leave the mask to perform its function at least 15 minutes. Remove it by peeling it off.

•**Vitamin E** By reinforcing the hydrolipid film of surface and cell membranes, it improves the barrier function of the skin. Loss of water from the skin is decreased (1). The moisturizing properties of vitamin E due to regulation of the hydrous flow are increased with repeated application.(2). The skin becomes softer and more supple.
