

Cryogenic Body Mask with Laminaria and Kaolin

Code SNJ04

Kaolinate

Cryogenic Body Mask with Laminaria and Kaolin is an alginate body mask used for slimming and draining treatments. A stimulating "cold" effect is achieved during the treatment due to the presence of menthol.

SLIMMING ACTION

Laminaria is used as an ingredient for slimming and revitalizing treatments in European spas. It is effective due to its organic iodine and mineral salts which promote elimination of wastes.

STIMULATING ACTION

The instantaneous and lasting cold effect boosts elimination of waste and improves blood circulation while it soothes tired legs.

LAMINARIA (*Laminaria digitata*) is used for its high content in mineral elements and organic iodine.

DIRECTIONS FOR USE

Dose

To mix 2 lbs of paste, use 8 oz (250 g) of powder and 24 oz (750 g) water.

Dilution

Pour the water rapidly on the powder. Stir vigorously approximately one minute until a homogeneous paste is obtained.

Important: use water at 65° (20°C).

Application

Apply the paste immediately. The mask sets in 8 to 8 1/2 minutes.

Treatment time

Leave the mask at least 15 minutes. Remove by peeling off in one piece.
