▶ Constructed from plush 24 ounce nylon 6.6 yarn on a premium skid proof nitrile rubber backing to help eliminate movement on low pile carpet and vinyl floors.

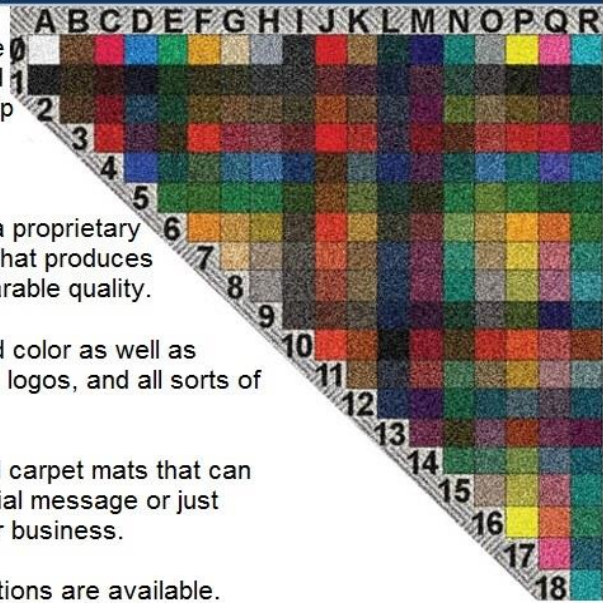

▶ Our logo floor mats incorporate a proprietary computer-injection dye process that produces solids and/or designs of incomparable quality.

▶ This process can blend any solid color as well as generate designs for messages, logos, and all sorts of specialty mats.

▶ We offer a wide array of colorful carpet mats that can be designed to deliver that special message or just enhance the appearance of your business.

▶ Vertical and horizontal configurations are available.

▶ Electronic artwork must be provided in a high resolution format.

### Custom Logo Mats

- ▶ All mats are cut and printed to order.
- ▶ Artwork proof provided before final production.
