## Post-N-Panel Systems

**Post-N-Panels are functional both as a barrier and a prominent sign display. Post-N-Panels easily integrate with Retractable-Belt® posts to create a rigid, secure system.**

### **Use as a structural barricade for:**

- ▶ Creating an attractive, orderly queuing system
- ▶ Privacy & screening areas
- ▶ Securely restricting access to unauthorized areas

### **Use as a prominent display for:**

- ▶ Co-op advertising
- ▶ Logos & branding
- ▶ Signage and wayfinding

## Heavy Duty Panels

Premium construction to withstand the toughest wear and tear.

48"W x 34"H Black Anodized Heavy Duty Panels with Frosted Acrylic inserts.

Privacy Panels

- ▶ Heavy gauge aluminum frame.
- ▶ Ideal for defining a queue line perimeter.
- ▶ Can upgrade to EZ Off End Blocks.\*
- ▶ 'Privacy Panels' (48"W x 66"H) create or designate a booth for security areas.
- ▶ Standard tamper-proof design protects inserts.
- ▶ Ready for post-top signage.

\*See page three for details

## Top Beam Panels

Lightweight, durable and very easy to install.

48"W x 24"H Satin Aluminum  
Top Beam Panel with  
custom printed Durabond insert.

EZ Off End Blocks easily  
connect the panel to a post receiver.

- ▶ The panel simply fits onto a Single Line post for a quick and easy installation.
- ▶ EZ Off End Blocks comes standard.\*
- ▶ The most economical option in our Panel line.
- ▶ Recommended with our support bungees, which secure the bottom of the panel to the post for added rigidity.
- ▶ Standard tamper-proof design protects inserts.

## Panel Features & Options

### Features

- ▶ **\*EZ Off End Blocks:** A panel attachment that allows easy removal from the post. Required when using panels with Mini Socket, Magnetic, Fixed or Removable mounted posts.
- ▶ **Suction Cup Baseweight available:** Recommended with portable bases to prevent Post-N-Panel system from moving throughout the day.
- ▶ Dual Line posts are recommended with all panel systems, however Single Line posts can be used for smaller panels in light traffic areas or when cost is a concern.
- ▶ **Optional Bungee Panel Support:** Required when panels are used outdoors with Single Line posts.
- ▶ **Panels easily integrate with Retractable-Belt® stanchions:** Visit our website for more information about post styles.
- ▶ **All panels and finishes are suitable for outdoor use:** When choosing a post style, select an outdoor finish.
- ▶ Hundreds of powdercoated colors available.
- ▶ **10 year warranty.**

### Post Mount Options

### Attachment Options

#### Standard Attachment

Creates an interlocking wall to prevent tampering of intermediate panels.

#### EZ Off End Block Attachment

**Model # SUB-EZ2**  
(for Single Line Posts)  
**Model # SUB-EZ4**  
(for Dual Line Posts)  
Allows easy removal of intermediate panels.

#### Bungee Panel Support

**Model # SUB-BG**  
Secures the bottom corners of the panel to a Single Line post.

#### Optional Locking Clips:

**Model # SUB-EZLOCK**  
Top EZ Off End Blocks will have rotating lock to secure panel to posts.
