

AquaCera Whole House Water Filter Systems can be designed to protect you and your family from a wide range of contaminants **

Acrylamide	Chlorotoluene	Heptachlor Epoxide
Aldicarb	Chromium	Hexachlorocyclopentadiene
Aldrin	Cryptosporidium	Hexachlorobenzene
Aluminum	Copper	Iron Particulates
Arsenic	Coliforms	Lead
Asbestos	2, 4-D	Lindane
Atrazine	Dibromochloromethane	Magnesium Scale
Bacteria	Dibromomethane	Manganese
Alpha-BHC	Dibromochloropropane	Mercury
Beta-BHC	1, 2-Dibromo-3-Chloropropane	Nethoxychlor
Delta-BHC	Dichlorobenzene	Nethylenechloride
Benzopyrene	Dichloromethane	Nitrate/Nitrate
Benzoperylene	Dichlorobromomethane	PCD's (Polychlorinated Bypheny)
Benzofloranthene	1, 2-Dichloroethane	Pentachlorophenol
Bromobenzene	1, 1-Dichloroethane	Scale
Bromodichloromethane	1, 1-Dichloroethylene	Selenium
Bromothane	1, 1-Dichloropropane	Silver 2, 4, 5-TP Silvex
Bromochloroacetonitrite	1, 3-Dichloropropane	Simazine
Bromoform	1, 2-Dichloropropane	Styrene
Bromomethane	Trans 1, 2-Dichloropropane	Tetrachloroethylene
Cadium	Cis 1, 2-Dichloroethylene	1, 1, 2, 2-Tetrachloroethane
Calcium	2, 2-Dichloropropane	1, 1, 1, 2-Tetrachloroethane
Calcium Scale	1, 2, 4-Dichloropropane	Toluene
Carbonfuran	2, 4, 5-TP	Toxaphene
Carnontetrachloride	Dieldrin	1, 1, 1-Trichloroethane
Chloramine	Diquat	1,1, 2-Trichloroethane
Chlordane	Dioxin	Trichloroethylene
Chlorine	DDT	1, 2, 4-Trichlorobenzene
Chlorine Dioxide	Endrin	2, 4, 6-Trichlorophenol
Chlorobenzene	Epichlorohydrin	1, 2, 3-Trichloropropane
Chlorodibromomethane	Ethylbenzene	Vinyl Chloride
Chloropicrin	Ethylenedibromide/EDB	Xylene
Chloroform	Giardia Lamblia	Zinc
Chlorophenol	Hardness	
Chloromethane	Heptachlor	

You and your family deserve safer, better-tasting water, don't you agree?

Ask about our \$100 rebate for the purchase of our AquaCera Whole House Water Filter System.

***The above list comprises compounds that can be removed or reduced - depending on your water quality and specific components designed into the construction of your AquaCera Whole House Water Filter System. A comprehensive water quality analysis and a free consultation with one of our water technicians is highly recommended before purchasing a whole house water system.*
