Limited Warranty

Bulbs and tubes are guaranteed to light for one year of seasonal usage from the date of purchase. This warranty is void if light set is damaged by abuse, misuse, neglect, improper handling or storage, or if any of the identifying labels are removed. In no event shall the seller or manufacturer be liable for incidental, consequential, direct or indirect damages, including, without limitations, property damage, personal injury or lost business profits resulting from any defects. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. All returns should be initiated with the authorized re-seller and must include the original receipt of purchase. The defective product will be repaired or exchanged for a new product or a refund will be issued as determined by Wintergreen Lighting or the authorized sales provider.
