Bound is a unique dildo, the first from Vibeology - designed by SheVibe, Manufactured and Distributed by Tantus. Made with firm, yet inviting 100% Ultra-Premium Silicone, Bound is an average sized dildo. It's not too big and not too small, providing a realistic feeling with an exciting twist. A phallic head, swollen veins and a rope-like texture give this dildo bulges and curves in all the right places. If you enjoy deep, delicious tactile pleasure, Bound will have you tied up in knots!

All Tantus toys are made from Tantus' own unique formula of 100% Ultra-Premium Silicone. The superior quality of Tantus silicone makes all Tantus toys hypoallergenic, non-toxic, phthalate free, odorless, bleachable, boilable and even dishwasher safe. These factors combined make Tantus toys the safest and most pleasurable toys on the market. A toy from Tantus is meant to be used and with minimal care Tantus toys can last a lifetime.
