All Tantus toys are made from Tantus' own unique formula of 100% Ultra-Premium Silicone. The superior quality of Tantus silicone makes all Tantus toys hypoallergenic, non-toxic, phthalate free, odorless, bleachable, boilable and even dishwasher safe. These factors combined make Tantus toys the safest and most pleasurable toys on the market. A toy from Tantus is meant to be used and with minimal care Tantus toys can last a lifetime.

---

## WHAT MAKES TANTUS TOYS THE BEST?

---

### GOOD

Tantus values the sexual health of our customers over profit. When you contact us, you'll deal with a real human being who is committed to your satisfaction.

### CLEAN

The superior quality of Tantus silicone makes our toys hypoallergenic, non-toxic, free of phthalates, odorless, bleachable, boilable and even dishwasher safe.

### FUN

Tantus toys are designed to be anatomically appropriate for human bodies to encourage the best sex ever! We celebrate sexuality and encourage consenting adults to explore their erotic side.
