

# INSTRUCTIONS

**Spill or Drink:** answer the question truthfully or take sips. Only applies to the reader.

**Dare or Drink:** do the dare or take sips. Only applies to the reader.

**Most Likely To:** On the count of 3, everyone vote for who fits the prompt the best. Most voted wins. We recommend doing this via chat if online. If in person, point on the count of 3.

**Categories:** Name something that fits within the category. If you repeat an answer or can't come up with one, you lose.

**If this, then:** These are meant to be read aloud. They apply to all players. If the prompt applies to you, drink.

**Trivia:** If you can't answer the question correctly, take sips.

**Last note before you start playing.** The cards are reshuffled, so all you have to do is take turns reading through them. If you're playing online. Your best bet will be to send the PDF to everyone playing or screenshare the PDF.
