

SEARCH FOR
THE HIDDEN CLOVER
 Children's books,
 Activities, Animals, and more at
www.SearchfortheHiddenClover.com

Outreach: We are always excited to sharing what we love and do at Hidden clover. This takes many forms that include author signings, book readings, exotic animal exhibits, nature education, games, conservation activities, videos, and more. We do these in cooperation with retailers, schools, museums, regional fairs, religious organizations, and other groups that cater towards children, reading, animals, or nature.
