On October 9th, 2012, fifteen weekly Winning Golf Champions gathered at the prestigious Ace Club in Lafayette Hills, Pa. for the second annual Winning Golf Championship. This talented field would compete for a spectacular "grand prize" from Cleveland Golf, a beautiful championship trophy sponsored by ProForma Industries and one last chance to drive home in a brand new Infiniti JX.

Despite weather conditions similar to a day of golf in Scotland (50 degrees and drizzle), the players had lots of fun and competed at a very high level. Our short game competition was held on the challenging 18th green at The Ace Club. Fifteen champions competed for points over 5 rounds with the six point leaders moving on to the "Survivor Round". With the pressure mounting, the six finalists were challenged with a 35 yard pitch shot over a bunker with a severe left to right break. The two players closest to the hole would then move on to the SAP "Up and In" Playoff to determine our 2012 "Grand Champion". Our two finalists were Matt Falkow at 7 ft 5 inches and Greg LeGrand at 8 ft 1 inch, just 2 inches closer than 3rd place finisher Scott Gamble. The "SAP Playoff" was a thriller with Matt and Greg facing a 60 yard shot. Both players hit the green with their wedges but Greg LeGrand landed his shot 4 feet from the hole, made the putt for a 2 and was crowned the 2012 Winning Golf Grand Champion.

The unbelievable and amazing Grand Prize sponsored by Cleveland Golf will send myself and Greg on an all-expense paid trip to San Diego for the ultimate "tour experience". First we will get inside the ropes at a "tour event" and meet Cleveland staff players Keegan Bradley, V.J. Singh and Graeme McDowell. Next, we will tee it up at some "tour courses" like Pelican Hills and Torrey Pines. Finally, our champion Greg LeGrand will receive a "tour fitting" from the Cleveland Tour staff and arrive home with a new bag and a custom set of clubs. Now that's a tour experience!!
