

Mounting instructions for Wolfy Saphook Kit #A145

This kit is designed to work with our small and medium Rolie Bags and our Bottle Holster to make them Quick Release.

1-A small Rolie Bag with the Wolfy Saphook Kit attached to the mounting straps. Fig.1
(The mounting straps have to be "Patch Threaded" see the Rolie instructions.)

Fig. 1

2-This is a small Rolie attached to a Wolfman Expedition Dry Duffle as a top pocket. Fig. 2
