

Mounting instructions for the 2013 Wolfman Top Rack Straps #RTRAcc-1
Renegade Duffle mounted to a Wolfman Honda CRF250L Top Rack. Fig. 1

Fig. 1

1- Feed the 1" chrome slide at each end of the strap through the slots on the front and rear of the rack.
Make sure the chrome slide is captured and cannot slip through the slot. Fig. 2&3

2- Repeat step 1 for the rest of the straps.

3-Place your duffle or items on the rack and cinch the straps tight.

If you have a Wolfman Expedition Dry Duffle or Renegade Duffle feed the straps through the D-Rings on the bag for maximum security. Fig. 1

4-To remove simply release tension on the straps and pass the 1" chrome slides back through the slots.
