QUICK REVIEW: Looking back at your notes from this week's message, "All In," was there anything that particularly caught your attention, challenged or confused you?

HISTORICAL | getting to know me

1. What was the highlight of 2013 for you?
2. What commitments or goals have you set for 2014?
3. Mark Batterson said, "The spiritual tipping point is when the pain of staying the same is greater than the pain of change." What do you think are some common tipping points for people in their life?

Has there been a spiritual tipping point in your life? If so, what was it?

BIBLICAL | digging deeper into the Bible

1. Elisha is a powerful example of someone who goes all in. He burned his plowing equipment and barbecued his oxen. Being a farmer was no longer an option for him. Scripture is full of men and women who make similar commitments. How do the following individuals demonstrate that they're all in?
 - Abraham and Isaac (**GENESIS 22:1-14**)
 - Disciples (**MATTHEW 4:18-22**)
 - Levi (**LUKE 5:27-28**)
 - Zaccheus (**LUKE 19:1-10**)
 - Mary of Bethany (**MARK 14:3-9**)

What ships have you destroyed or what have you left behind to follow God's call on your life?

2. We live in a day and age where some people want others to think they're all in, when in reality they're just pretenders. We encounter people in Scripture who are just the same. How did the following people try to fake being all in?

- Pharisees (**MATTHEW 15:8, 23:27-28**)
- Judas (**JOHN 12:3-6**)
- Ananias and Sapphira (**ACTS 5:1-11**)

How might people portray a false commitment today?

3. Every day there is a battle for our worship. Satan would love nothing more than for us to serve God halfheartedly and be marginally committed at best. According to Scripture, what are some things that keep our commitment at bay and prevent us from going all in?

- **EXODUS 3:11; 4:10**
- **MATTHEW 19:16-22**
- **JOHN 12:42-43**
- **1 JOHN 2:16; 1 PETER 5:5**

What's the biggest barrier to your going all in?
