1. What's the best thing about owning a dog? Unconditional love

2. What do you find the most frustrating about your dog, or struggle with as a dog owner? A dirty floor.

3. All time favorite memory of your dog? Coming home to a bed, couch and two love seats completely destroyed with their stuffing littered throughout the house.

4. Favorite place to hang out with your dog in Charleston? Riding around on a Saturday morning in my truck with the dogs in the passenger seat.

5. With what aspect of your dog's personality do you most identify? Their ability to vocalize what they want.

6. In your opinion, what's the one item all dog owners must have? A dog bed... every dog needs their own space.

7. If your dog were some other sort of animal, what would he be? Not sure about Rosie, but Skeeter would be a rat.

8. How does your dog inspire you? Or what has your dog taught you about life and work? Don't let old age get your spirits down or keep you from eating whatever you want for that matter!

9. How do you KNOW you and your dog are best friends? I look forward to seeing them everyday when I get home from work. They are at my heels everywhere I turn when I am home.

10. What's your favorite thing about Lowcountry Dog Magazine? It is a testament that we all love dogs!!
