

PRO SERIES ROLLER FAIRLEAD

OVERSIZED BOTTOM ROLLER w/ TOW LOOP - #PSRF1

OVERSIZED BOTTOM ROLLER

THE BOTTOM ROLLER ON THE PRO SERIES ROLLER FAIRLEAD IS TWICE AS LARGE IN DIAMETER AS TRADITIONAL FAIRLEADS. THIS SIGNIFICANTLY EXTENDS WINCH CABLE LIFE BY ADDING SURFACE SPACE; THIS ALSO REDUCES BINDING, KINKING AND FRICTION.

CENTERED TOW LOOP & TIE DOWN POINT

THE HEAVY DUTY TOW LOOP GIVES YOU A POINT TO HOOK UP TO WHEN NEEDED AND GIVES YOU A GREAT CENTERED TIE-DOWN POINT WHEN SECURING YOUR MACHINE TO THE TRAILER.
