British Olympian Jade Jones adds Jetlev-Flyer to her repertoire of mad skills, 2013

## Welcome to Jetlev-Flyer UK

### A guide to Jetlev Charters

Thank you for downloading this brochure.

Here you will find more information on:

- Day Hire: Filming or Demonstrations
- Day Hire: Non-Stop Flying
- Week Hire
- Contact the Sales Team

If you have any outstanding questions, please contact our team on the details below.

## DAY HIRE: FILMING OR DEMONSTRATIONS

Are you organising an event with a difference? Would you like a Jet Pilot demonstration with the power to wow your audience?

Or would you like to capture a Jetlev stunt on film, with your own cast members in the pilot's seat?

### What's included in the standard day charter package?

- A Jetlev-Flyer 260 (top of the range machine)
- A Jet Pilot (to either instruct or fly)
- An assistant pilot instructor
- The use of our home venue, or possibly (depending on distance travelled) transportation to a suitable, mutually agreed venue
- Up to 6 hours of dedicated fly time to ensure you get the shot you need / make the required impact
- The standard day hire of a Jetlev-Flyer machine & 2 pilots is £3,000.

Chartering a Jetlev is rarely an off the shelf solution.

Call our team to discuss your needs, and we will individually tailor a proposal for you to consider.

## GET THE WOW FACTOR

Every demonstration package we deliver is unique.

This is to ensure you actually receive the value you require; and so that we can ensure our machines are operating in a suitable venue with optimum conditions.

Please contact our team on 0333 300 3403 or [info@jetlevflyeruk.com](mailto:info@jetlevflyeruk.com) to discuss your requirements

## DAY HIRE: NON-STOP FLYING

Have a group who all want to learn to fly? We suggest you pack a picnic, and come down to the Jetlev-Flyer water for the whole day. This is the best way to maximise your time in the air.

We will hire your group a Jetlev-Flyer and Jet Pilot for the day (6-8 hours). You can take it in turns to learn to fly, and have as goes each as you like (within the time frame).

This is an exclusive experience, suitable for a maximum of 12 people.

## FLY TIL YOU CAN FLY NO MORE

### What's included in the standard Day Hire: Non-Stop Flying?

- A Jetlev-Flyer 260 (top of the range machine)
- A Jet Pilot (to either instruct or fly twin seats)
- An assistant pilot/instructor
- The use of our home venue
- Between 6 hours of flight time

The cost to hire a Jetlev-Flyer machine & pilot for a full day of action is: £3,000.

Every charter package we deliver is unique. So to reserve your Jetlev for the day, please contact our team on: **0333 300 3403** or **info@jetlevflyeruk.com** to discuss your requirements

## WEEK LONG HIRE: FLY & ENTERTAIN PACKAGES

Get your very own Jetlev-Flyer 260, and Jet Pilot for a whole week! The perfect accessory for any water based holiday.

## WEEK LONG FUN IN THE SUN

Receive tuition on a daily basis, or sit back and watch your friends master the art of flight.

Your personal Jetlev Pilot can offer one to one tuition to each and every member of your party over the course of a week. What better form of entertainment, and activity could you ask for?

Each week long charter package is unique. Contact our team to discuss your requirements.

The cost for a week long charter will be £21,000. Price may vary due to the location required.
