

# *diy Sewn Favor Bags: Glassine Bag*

BY LUPA & PEPI

## **ingredients** .....

### **TOOLS YOU'LL NEED**

glassine bags  
sewing machine  
thread  
paper\* – or – stickers printed with your message  
confetti

### **GET CREATIVE WITH**

label shapes & application  
contents for the favor bags  
decorative stitches

## **step-by-step** .....

### **STEP #1**

Fill each glassine bag with confetti.

### **STEP #2**

Fold over the top & run through the sewing machine to seal it shut.

### **STEP #3**

Repeat steps 1 & 2 with each glassine bag.

### **STEP #4**

Adhere a prepared label to each sewn bag & enjoy the party!

*\*If using paper, you will need scissors or an xacto knife & ruler to trim out the labels & double sided tape, a glue stick or a xyron sticker maker to adhere labels to glassine bag.*

# diy Sewn Favor Bags: Paper Pocket

BY LUPA & PEPI

## ingredients . . . . .

### TOOLS YOU'LL NEED

- text weight letter-sized paper (for bag)\*
- text weight letter-sized paper (for labels)\*\*
- decorative paper (that matches the solid colors)
- xacto knife & ruler – *or* – scissors
- sewing machine
- thread

### GET CREATIVE WITH

- mixing & matching paper colors & patterns
- thread colors
- decorative stitches

## step-by-step . . . . .

### STEP #1

Print your message on the text weight letter paper for labels, trim them out & set aside.

### STEP #2

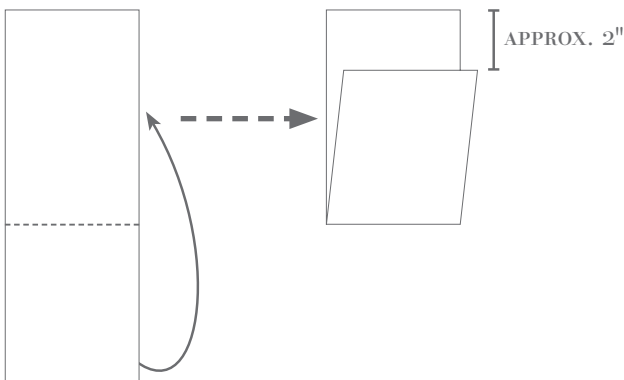

Cut the decorative paper into 4-1/4" x 6-1/2" rectangles & set aside.

### STEP #3

Cut a sheet of text weight letter paper for the bag in half vertically. The resulting piece of paper should measure 4-1/4" x 8-1/2".

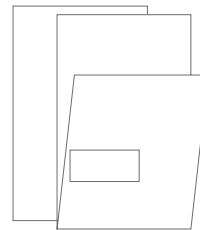

### STEP #4

Fold the cut piece of paper for the bag & leave a flap that measures approximately 2".

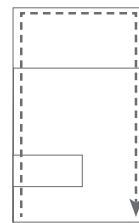

### STEP #5

Stack the decorative paper, folded text weight letter paper & label (see diagram below).

### STEP #6

Sew around the left, top & right sides of the layered paper.

### STEP #7

Fold top flap down & repeat steps 5 & 6 for the remainder of your favor bags. Divertiti!

\*Each letter-sized sheet yields 2 bags. \*\*Yield per sheet will vary depending upon how big your label dimensions are.

# diy Sewn Favor Bags: Triangular

BY LUPA & PEPI

## ingredients . . . . .

### TOOLS YOU'LL NEED

- text weight letter-sized paper\*
- sewing machine
- thread
- candy

### GET CREATIVE WITH

- decorative stitches
- the message & design printed on the bags
- contents for the favor bags

## step-by-step . . . . .

### STEP #1

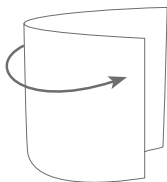

Create the layout for your favor bag. Your design should take up half of a letter-sized page (8-1/2" x 5-1/2"). Use the template on the following page as a guide.

### STEP #2

Print your favor bag design onto text weight letter-sized paper & cut each paper in half.

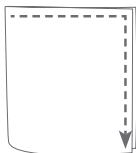

### STEP #3

Fold one of the cut sheets in half so that it measures 4-1/4" x 5-1/2" but don't make a crease in the paper.

### STEP #4

Sew the top & right side of the folded (but not creased!) paper.

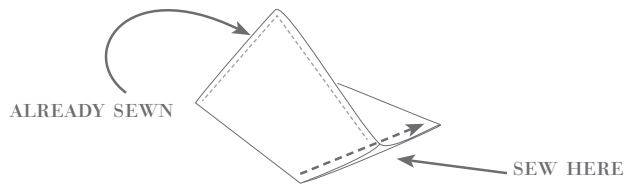

### STEP #5

Through the open end, stuff the favor bag with candy of your choice.

### STEP #6

Pinch the open end of the favor bag so that the seam you just sewed is on the middle of the open side & then sew that side closed.

### STEP #7

Repeat steps 3-6 for each favor bag & voila! Triangular favor bags!

\*Each letter-sized sheet yields 2 bags.
