BELINDA BROWN

Seductive, exotic, and sensual;  
delicate and precious

Jasmine Absolute combine with Rose de Mai, picked at dawn on the hillsides of Southern France, to envelope you in a floral haze, sublimated by enlivening hesperidic notes of Bergamot, Lemon, and Mandarin, and nestled in the soft embrace of Tonka, Vanilla, and warm Cedar.

Perfume and incense make the heart glad,  
but the sweetness of a friend  
is a fragrant forest
