Waiver of Liability

Clients are reminded that it is their personal right and responsibility to make educated choices in their own and their family's health care. Soothing Herbals LLC and the attending Clinical Herbalist do not make these choices for the client but provides educational resources in the historic and traditional uses of herbs.

I thoroughly understand that only a physician (MD) can diagnose, treat and prescribe medicines for illness. The role of the herbalist in any healing process is not to consider a client's individual systems but to consider a client as a whole person and to consult the client concerning lifestyle, diet, and herbal recommendations.

I, the undersigned, understand the above paragraph, and release Soothing Herbals LLC and all owners and associates of this business from any liability. I also confirm that I am consulting with this named individual of Soothing Herbals LLC on my own free will. I understand that there will be no diagnosis made, or prescription given, but that an assessment of my general health will be made with lifestyle, dietary and herbal recommendations.
