

# SINGLE/DUAL SYSTEMS

**Simplicity and expandability, all in one.**

## **"Quick Release" Pivot**

Mounts provide easy, one-step mounting and dismounting of monitors.

## **Exclusive Design**

Expanding arm folds back out of the way, crucial in back-to-back deployments and work station cubicles.

## **Height Adjustment**

Position the monitors to any height for proper ergonomic alignment.

## **Multi Adjustment Pivot**

Effortless monitor positioning, left/right up/down, for both landscape and portrait views.

## **Mounting Options**

Provides stable support for slatwall, flush, grommet, and desk clamp mounts.

## **Flexible Design**

Scalable, interchangeable components can be used to expand the system.
