## Overview

### Define your success story

Power your personal brand with the HP Dragonfly. This beautifully designed PC utilizes the latest Intel® Core™ processor[2], provides audio and video experiences enhanced by HP Presence[3], enclosures made from 90 percent recycled magnesium[4], and helps keep you protected with HP Wolf Security.[5]

### 5MP, 88° field of view camera

Look your best and move freely in front of the 5MP, 88-degree field of view camera.

### Protected by HP Wolf Security

HP Wolf Pro Security Edition PCs interlace HP Sure Click Pro with HP Sure Sense Pro providing more in-depth coverage than the standard versions through a 1-year or 3-year user license with HP Support.[5] This creates a powerful, single solution that doesn't require an IT-managed PC environment.
