

Dear Store Manager,

I would like to request that you stock KINeSYS Performance Sunscreen; they are a small-family-owned brand that make sunscreen, just better!

Their formulas feel radically different to traditional sunscreen and don't impact on my active lifestyle.

Supporting local business is important to me. KINeSYS isn't available everywhere and I would love to replenish my supply from you.

Please contact KINeSYS directly at [trade@kinesysactive.com](mailto:trade@kinesysactive.com) for more information!
