

Lillian Pearl Bridges

Curriculum Vitae

Lillian Pearl Bridges is the world's leading authority on Face Reading and Facial Diagnosis. She is also an internationally recognized expert in Five Element Feng Shui and Daoist Design. She teaches Classical Chinese Medicine from her deep understanding of ancient Daoist Philosophy. She teaches internationally to Doctors, Acupuncturists and other Health Professionals at conferences, colleges and universities and does corporate training. She also works with major developers, architects, corporations and private clients to create ergonomic and aesthetic buildings and personal environments utilizing Daoist Design Principles.

She is the founder of the Lotus Institute and author of *Face Reading in Chinese Medicine*, 2nd Edition, published by Churchill Livingstone, which is used as a textbook at many schools of Chinese Medicine. She has been a contributor to several other books on Chinese Medicine published by Elsevier and for the Thieme Almanac. She was a columnist writing about Face Reading and Feng Shui for Natural Health Magazine and has had many articles written about her in newspapers and magazines in numerous countries about Face Reading and Feng Shui. She hosted her own internet radio show, "Conscious Living" from 1999 – 2000 in Seattle and was featured on the Dr. Oz Show in 2013 in, "What Your Face Reveals About Your Health."
