使用と注意

- **Keep sensor window clean.**
- **Not intended to be used in wet environments.**
- **Do not submerge in water.**
- **Use only indoors.**

- Mantener el sensor limpio.
- No usar en ambientes húmedos.
- No sumergir en el agua.
- Usar sólo en interiores.
- Conservez la zone du capteur propre.
- N'est pas conçu pour être utilisé dans des environnements humides.
- Ne pas immerger dans l'eau.
- Utiliser uniquement à l'intérieur.
- Halten Sie den Sensor sauber.
- Nicht zur Nutzung in nasser Umgebung geeignet.
- Nicht wasserdicht.
- Nur zur Innennutzung geeignet.
- センサーの部分を清潔に保って下さい。
- 高温多湿の場所では使用しないで下さい。
- 水の中に入れて下さい。
- 室内でのみ使用して下さい。

FCC statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

[1] This device may not cause harmful interference, and [2] this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

IC statement

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

[1] This device may not cause interference; and [2] This device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil est conforme aux normes CNR d'Industrie Canada applicables aux appareils de radio exempts de licence. L'utilisation est sujette aux deux conditions suivantes :

[1] Cet appareil ne peut causer de brouillage, et [2] Cet appareil doit accepter toute interférence reçue, y compris des interférences qui peuvent provoquer un fonctionnement non désiré de l'appareil.
