CALLIE'S
Hot Little
Biscuit.

NATIONALLY RECOGNIZED. STILL HANDMADE.

WE STARTED IN TRADITION

Carrie Morey founded her handmade biscuit business in 2005 with the goal of making tender, buttery, made-by-hand biscuits of her mother accessible across the country. Almost two decades later, Callie's Hot Little Biscuit is widely recognized as an iconic Southern brand with national retail exposure and a cult following.

& CONTINUE THAT TRADITION TODAY

Our team of artisan bakers makes each hot little biscuit by hand with no machinery what-so-ever. Together, we believe we can honor the art of Southern biscuit making, while inspiring others to create their own traditions.

IT'S HOW WE ROLL! Watch Carrie Morey balances being wife, mom, and owner of one of the South's emerging culinary brands. *How She Rolls:*
