Getting Started

Identify all parts packaged in carton against the parts list. Remove all protective materials and place parts on a non-abrasive surface to avoid scratching. If any parts are missing or damaged, DO NOT attempt to assemble. Please contact our customer service center (Monday-Friday 9:00am – 5:00pm EST) at 1-800-599-8898 or email: support@tdcusainc.com.

Caution: Read all the instructions before assembly. Failure to do so may result in faulty assembly and potential injury! Assemble product on a soft, non-abrasive surface such as a carpet or cardboard to avoid damaging the item. Seek assistance to assemble bulky or heavy items. After final alignment, make sure all bolts and nuts are securely tightened with screw covers pressed in place.

Freight & Packing:

TDC will be responsible for shipping, handling, and packaging charges for all valid warranty claims.

Care & Maintenance:

Be careful to never allow water build up in frames as this will cause corrosion and freeze damage in cold climates. Wash all frames with a solution of mild soap and water. Rinse with clean water and dry with a soft absorbent cloth towel. Frames can be treated with a liquid wax for maximum protection against UV rays and/or salty damp air. If your set includes cushions, slings, and/or an umbrella, they may be cleaned by hand with a solution of soap and water with a clean water rinse.

EXCLUSION:

- Damage caused by acts of nature
- Wind damage
- Failure caused by unreasonable, unanticipated or abusive use
- Failure caused by a lack of reasonable and necessary care and maintenance
- Normal fade of fabrics, upholstery or woven materials
- Glass table tops
- Bursting or cracking of tubing due to exposure to water and freezing temperatures
- Changes in wood color due to the natural aging of the wood

Lack of original receipt will void warranty.
