TREE FRUITS

Apples: Honeycrisp, McIntosh, Gala,
Arkansas Black
Peaches: Redhaven, Contender
Plums: Santa Rosa, Methley

SMALL FRUITS

Blueberry – Duke, Patriot, Blue Crop,
Blueray, Jersey, Elliot, Pink Lemonade
Grape-Concord
Raspberry, Black – 'Jewel'
Raspberry, Red - 'Heritage'
Raspberry, Red – 'Latham'

Elderberry, Black – straight species,
'Adams' or 'Johns'

For best fruiting with Elderberries, it is best to have 2 or more of the plants of the common Elderberries. If you are planting 'Adams' or 'Johns' you should also have at least one of the other variety or common Elderberry. The named varieties have different fruit, sometimes foliage.... google and you can see pics.
sm= #1 pot (6" diam x 8" high)
lg= bigger than a #1 pot
