At NFC, we supply high quality Aluminum Threaded Fittings, most shipping out of our warehouse the next day. We make it easy for you to purchase Aluminum Threaded Fittings and accessories by providing detailed Part No’s, Clear Descriptions and Pictures of each product, if required. Our Aluminum Fittings are made from forged

6061-T6 aluminum alloy. Our Threaded 45 Degree and 90 Degree Aluminum Elbows are high strength cast aluminum alloy, 356-T6. Elbows are supplied anodized with additional Hi Vis Yellow Powder Coat for added corrosion resistance. All thread specifications are laser engraved for identification on each product.
