Step 3

Go to "Feeding" and select "FeedSection"
In the top left corner of the FeedSection menu, press "Create New"
Name the Section, choose a type of animal, set a number and press "Create"
Optional: Repeat step 3 for every section you have

Step 4

Setting up Feedstuff

Start by going to Feeding → Feedstuff → “Create”

Type in Name, Drymatter (it’s in percentage). Pick a Type. Optionally pick a Stock. And set Price.
End with pressing Create.

Now repeat this for all Feedstuffs you have

Name	Drymatter	Price	Type	Stock
