

A-SERIES LED LAMP

LED A Lamp

120V

60We – 800Lumen/10Watt

40We – 450Lumen/6Watt

>83 CRI

The infinia can be used in any orientation and in any fixture and it works well with a wide range of dimmers, bringing control to light and energy use in each space.

infiniaTM

*The right light for general use
residential and commercial applications.*

BETTER LIGHTING FROM EVERY ANGLE

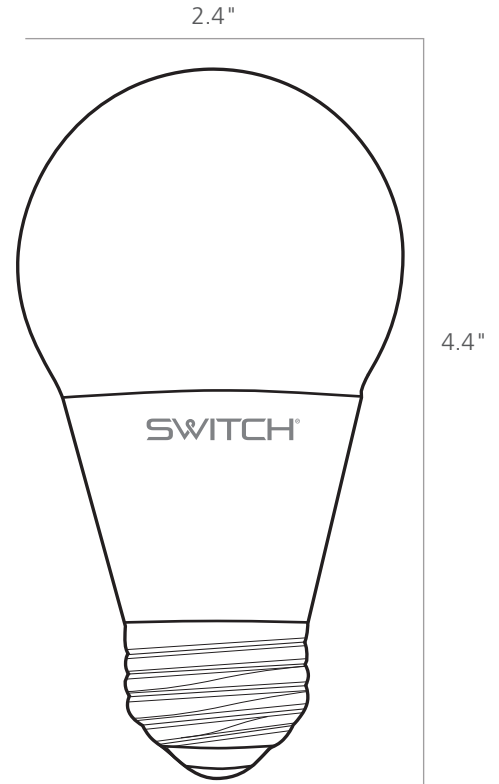

- Designed to exactly replace both the look and performance of traditional 40W and 60W A type bulbs.
- Up to 85% saving in energy costs.
- Providing a warm color light – (2700K version).
- Full 300° light distribution – just like incandescent.
- Instant on and compatibility with recommended dimmers.
- Usability in any fixture, including enclosed, and can be used in any orientation without compromising life or performance.
- **FULLY CERTIFIED:** UL/cUL listed for damp use. RoHS compliant. Complies with FCC CFR 47 Part 15. Energy Star.
- Ecofriendly design. No hazardous chemicals.
- Lifetime residential warranty and 3 year commercial warranty.
