

The SA51 combines strength, versatility, and ease of installation - Seneca makes life easy for the do-it-yourselfer.

We include a paper wall template to help you drill your mounting holes, a bubble level to make sure it's straight, and a 10' HDMI cable to connect from your video source. If you need help during the purchasing or installation process, our customer support team is just a phone call or email away.

The SA51 gives you mounting and positioning options for TVs up to 80" weighing up to 130 pounds. Extension, tilt and swivel functions combine to give you almost total control of your viewing angle.
