

The SD11 is a single arm desktop monitor mount designed for screens weighing up to 22 lbs (10 kg). Built to fit securely on the edge of your desk, this versatile mount is capable of swiveling 360 degrees and tilting 180 degrees, allowing you to position your screen exactly where you want it. Its horizontal support arm can also be easily adjusted to place

your monitor at eye-level, and comes with a series of cable management clips to keep your work area clutter-free. Economic and effective, the SD11 is the perfect mounting solution for your home or office environment.
