

Achieve the ultimate desktop setup with the SD13 full motion monitor mount. Designed to support three screens measuring up to 27 inches each, this versatile mount effectively triples your viewing area, giving you the upper hand while gaming and providing the space you need to work more efficiently. Its articulating arm assembly can be moved up or down to place your monitors at eye-level, and allow for both tilt and swivel adjustments to be made to

ensure a perfect viewing angle. Built to fit securely on the edge of your desk, the SD13 also features a series of cable management clips to keep your work area clutter-free.
