

The SD22 is a four arm desktop monitor mount designed for screens weighing up to 22 lbs (10 kg). Built to fit securely on the edge of your desk, the SD22 has four arms that are capable of swiveling 360 degrees and tilting 180 degrees, allowing you to position your screens exactly where you want them. The horizontal support arms can also be easily

adjusted to place your monitors at ideal viewing height, and come with a series of cable management clips to keep your work area clutter-free. Perfect for gaming and security, the SD22 is the perfect mounting solution for your home or office environment.
