

# SG11 Articulating Flat Panel TV Mount

The SG11 provides you with amazing flexibility. Push your TV back against the wall when not in use, and pull it out for viewing. Whether you want to mount above a fireplace and pull down to view comfortably, or want the flexibility to use your TV for seated viewing, gaming or working out, this mount will help your TV come to you.

The SG11 is a fully articulating mount - easily adjustable to handle TVs from 13 to 29 pounds. It provides almost a foot of height adjustment, with generous tilt, swivel and extension features! And, like all Seneca products, it's truly easy to install. Packed with a template to mark your walls, great instructions, and an easy-to-follow install video.
