

The SN21 is a stationary TV stand built for 26" to 50" flat panel TVs. Along with a heavy round base for added stability, its low-profile design makes it well-suited for high traffic areas such as commercial spaces, conferences and tradeshows.

Measuring 70" tall, this durable steel stand features a height adjustable TV mounting plate that provides 70 degrees of pan and a tilt range of 15 degrees, providing you with a variety of viewing

angles. The SN21 also includes integrated cable management to ensure a tidy appearance while keeping your cables protected.
