

# ProofCam PC202

## Plug and Play Dash Cam

Continuously capture everything that happens on your journey with the ProofCam PC202 Dash Cam. Suitable for any vehicle, this compact forward-facing dash cam records in Full HD 1080p quality, ensuring that all the details of your drive are visible during playback day or night. The PC202 Dash Cam also takes still images, which could be useful in an accident or incident in the road. With discreet recording, the camera display screen turns off after a short time so that the driver's view is not interrupted.

The ProofCam PC202 Dash Cam comes with a charging cable, suction pad and a FREE 8GB Micro SD card.
