

# SKYPIPE™

## Essential Oil Diffuser

### Important Information

#### Please read before operating SKYPIPE™ diffuser

- Water temperature can warm to 48°C during normal operation.
- When water levels are low or empty Skypipe™ will beep 3 times and automatically turn off.

### Direction of Use

1. Find an even surface for your diffuser.
2. Remove porcelain cover and water tank lid.
3. Pour 120mL of clean, room temperature water.
4. We recommend 3-4 drops of essential oils per 100mL.
5. Secure porcelain water tank lid and cover back on.
6. Plug SKYPIPE™ diffuser in power socket.
7. Turn SKYPIPE™ diffuser ON.
  - To turn ON LED lights: click Light ON/OFF button
  - To turn ON vapour: click Vapour ON/OFF button (1st click: green light / 2nd click: red light / 3rd click: vapour OFF)

### WARNING

- Keep away from children & pets.  
DO NOT turn on when water tank is empty.  
DO NOT turn on if water tank lid is not secure.  
DO NOT refill or clean while power adaptor is connected to a power outlet.  
DO NOT remove porcelain cover while the diffuser is on.  
DO NOT use chlorine, acid and enzyme type detergents to clean water tank.  
DO NOT block mist nozzle or the air intake at the bottom of the plastic base.  
DO NOT place this product near objects that may get damaged from moisture.  
DO NOT insert any objects in the SKYPIPE™.  
DO NOT touch ultrasonic plate unless otherwise instructed.

### Maintenance

#### Never perform maintenance or clean SKYPIPE™ while plugged in

- Clean every 3 days of heavy use or after 5-6 uses.
- Clean Ultrasonic plate using a cotton swab only, do not touch with fingers. Fig 1
- Always empty the water tank away from the air outlet. Fig 2
- Empty diffuser when not in use for an extended period.

#### How to clean SKYPIPE™

1. Safely tip water out of the water tank. Fig 2
2. Dry the inside of the water tank with a clean cloth.
3. Clean ultrasonic plate using cotton swab, use light pressure to clean.
4. Use mild kitchen detergent to wash your diffuser.
5. Thoroughly dry before use.

\*Fig 2: Always empty the water tank away from the Air outlet.

### Warranty

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This warranty is provided by Black Chicken Remedies for the period of 12 months from the date of purchase. Keep receipt for proof of purchase when claiming warranty. Immediately stop using the product if a fault arises. Contact Black Chicken Remedies on support@blackchicken.com.au.
