Ulrich Pinfile System

TWO AVAILABLE PIN CONFIGURATIONS

Pin and Post (MP Series)   Parallel Pins (M Series)
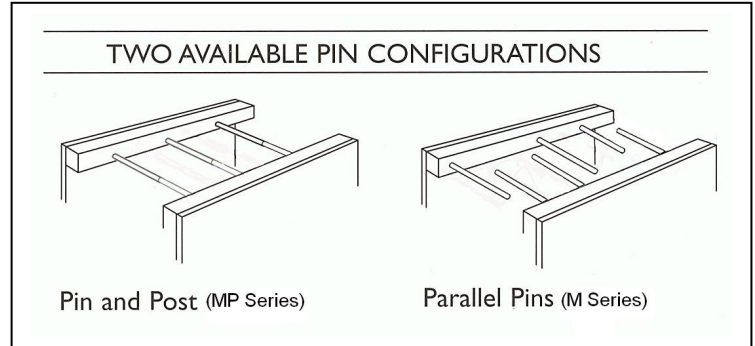

The Pinfile utilizes an advanced indexing system along with quality construction to make large document filing smooth and easy. Drawings can be placed on sturdy combination of pins and removed easily without any effort. Find your document then glide open the cabinet door to the right position and slide the document off of the pins. Easy and fast!

- Various size documents can be filed in one unit
- Each Pinfile holds up to 1200 documents
- Available in parallel pin or pin and post configurations
- Can remove documents in 15 seconds on average
