

SNAP FRAMES

1-800-234-3729
www.gsdirect.net

- Made in the USA.
- Aluminum, front load flip-up frame.
- Stainless steel spring hinges.
- Finger open style for fast and easy graphic or photo changes.
- Edges clamp down to hold your graphic or photo tightly.
- Clear plastic overlay and backer sheet included.
- Frame edges are 1.25" wide.
- Holds graphic or photo up to .125" thickness.
- Wall mounted* or easel display.
- Indoor or outdoor use.

**When mounting the Snap Frame to the wall, use drywall anchors and No. 6 screws.*

Loading the Snap Frame

- 1) Open all four frame edges.
- 2) Insert graphic/photo over the backer sheet.
- 3) Place clear plastic overlay on top (if desired).
- 4) Make sure graphic/photo is aligned properly.
- 5) Flip down top frame edge followed by the remaining three edges.
