

**Description:**

16" LED Spritzer Classic White. LED Spritzers are similar to our famous Sparklers, but with more flexible construction. This allows you more options when you decorate. They can be fanned out in an orb, laid flat, twisted, curled, whatever you like. And when you are done for the season, they collapse nice and neat for storage! Available in 10", 16" and 24" sizes. Available in 10 LED color combinations. Each LED Spritzer contains 80 LED lights.

**Features:**

- Collapsible for easier storage
- Available in 10", 16" and 24"
- Flexible construction allows for more decorating options
- Indoor/Outdoor Decor
- Intensely bright LED lights use less electricity than incandescent and have very clear, crisp color
- Versatile design allows you to use alone or combined with other décor
