

TUBULAR DISHTABLE SORTING SHELF

Features

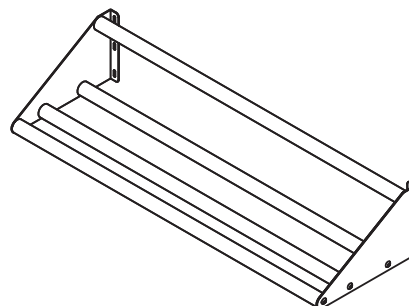

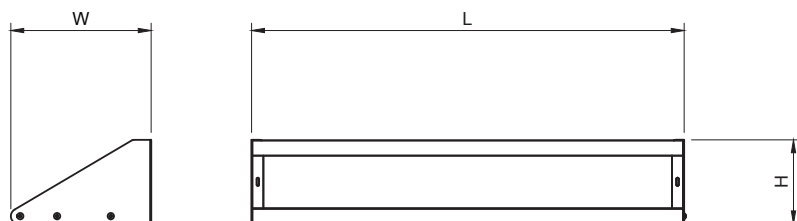

- Stainless steel construction
- Ultimate in durability
- Easy to organize standard size racks
- Extra space to load racks for washing and storage
- Shipped knock-down

Description **Tubular Dishtable Sorting Shelf**

This tubular dishtable sorting shelf makes it easy to organize your beverageware. Capable of holding 1-4 standard size glass racks depending on the model, this shelf allows you to use the vertical space in your facility to load racks for washing and storage. It's made of 1 5/8" diameter stainless steel tubing and stainless steel side brackets. This durable rack shelf comes with stainless steel mounting bolts for quick and easy installation. It ships unassembled to help save on freight costs.
