STAINLESS STEEL PASS-THROUGH SERVING SHELF

Features

- Promotes “pass-thru” area from kitchen to serving area
- Straight edge with all four ends 90° turned down edge
- Screws included for installation
- Adjustable for different wall thickness

Description SS Pass-Through Serving Shelf

The GSW pass-through shelf provides a convenient place for servers to pick up their orders! It features an improved hat channel design that allows the shelf to be freely positioned, and includes two “L” wall mounting brackets for installing the shelf exactly where you want it!
