AW22 Collection

Set in a timeless landscape the Jones AW collection embodies the romance of the moors, the breath-taking beauty of nature, an air of wistfulness and a touch of elegance.

Dramatic skies, simple, beautiful wood and rugged rocks set off the clear-cut silhouettes of the AW collection. Through soft suedes, smooth leathers, ruched, piped, and punctured detail the collection shines with possibilities of windswept days, romantic nights and stylish everyday dressing.

Dress code boundaries are increasingly blurred, so take the opportunity to mix up footwear styling; be grounded by chunky soles and earth tones, add statement sharp stilettos in sophisticated shades, take the hiker and biker boot to new heights and revel in hybrid options.

The Recycled Collection

STYLED SUSTAINABLY

RECYCLED LEATHER
GRS Certified. Rescued from landfill, crafted from used products.

RECYCLED POLYESTER
GRS Certified. Made from waste materials like plastic bottles and textiles.

Our new capsule collection of bags are made from polyester and leather constructed from recycled items such as plastic bottles, sofas and shoes and surplus textiles and leather from manufacturing. Finished with the quality design details that you'd expect from Jones we've achieved a 100% Global Recycled Standard certification.

For every purchase from our Recycled Collection, one tree is planted to restore the carbon used to make the product. Trees are one of the best ways to tackle climate change, and each tree will help to restore forests, protect wildlife, and promote better air quality, securing greener spaces for the future of the planet.
