THE SWEET ESCAPE SS24

Our SS24 collection is a dedication to delightful distractions, a celebration of the small moments that take us outside ourselves. This campaign was brought to life amongst the kaleidoscopic colours of Seville and the bleached white beaches of Cadiz. From cool blue hues and soft shades of sand, to flashes of fuchsia and molten metals, expect elevated classics with a dash of dopamine.

This season we've embraced saturated colour and experimented with texture to create playful stories that walk with you from day to night. Find her silver linings with metallic Mary Janes and soft leather slingback heels. He'll escape the everyday in soft suede Derby's and loafers crafted from warm walnut leathers.

From office wear to occasion-ready in the blink of an eye. Our curated collection of capsule pieces are ready for your next adventure.
