LONDON DRY GIN

Item Code +31161

Type

Craft Gin

Country

Canada

Tasting Notes

Distilled in Vancouver's first independent distillery, this premium handcrafted small batch Gin is defined by a complex balance of eight botanicals. The result is, bold forward notes of evergreeny juniper and citrus followed by earthy woody notes, fennel and a hint of pepper — fragrant, flavourful, fresh.

CUCUMBER GIN

Item Code +816512

Type

Craft Distilled Gin

Country

Canada

Tasting Notes

This premium handcrafted small batch Gin is defined by a unique selection of nine botanicals including two peppers and fresh British Columbia cucumbers. On the nose this gin has a garden cucumber freshness with soft citrus notes that embrace your pallet only to be followed by a lingering peppery finish. Ideal in a dry martini, served in a chilled lemon rimmed glass and garnished with cucumber. Simple, civilized and classy.

LÅNGBORD AKVAVIT

Item Code +898502

Type

Craft Distilled Akvavit (Akvavit)

Country

Canada

Tasting Notes

This premium Akvavit is copper pot distilled using a traditional Scandinavian recipe. This licorice forward spirit gets its character from six hand picked botanicals which include caraway, fennel, anise and Seville orange. The nose is greeted by complex licorice and orange notes but on the pallet a smooth, sweet finish of lingering marmalade and prevailing herbal notes. Served from the freezer its thicker viscosity makes Långbord Akvavit an ideal aperitif and digestif, served around a meal, and as a base for creative craft cocktails.
