

A diagram illustrating printing lines. It features a white rectangular area enclosed by a solid magenta border. Inside this area, there is a solid cyan border. Dotted magenta lines extend from the corners of the cyan border to the magenta border, indicating the relationship between the two lines.

MAGENTA LINE IS THE CUT LINE
CYAN LINE IS SAFE LINE

FINISHED SIZE: 3.5"x2" (1088px x 638px)
WITH BLEED: 3.65" x 2.125" (1095px x 638px)
