## HOW TO PAIR

- Place earphones within 1-meter distance from the phone
- Long press on the multi function button for 3 to 5 seconds to turn on the power and start the pairing function. Red and blue lights flash alternately in pairing mode
- Turn on the Bluetooth function on your phone and search "Ambrane ANB-83 Pro", then click to connect
- When successfully connected, indicator light will turn blue
- You will hear voice prompt, "Connected"
- To disconnect, long press the multi function button for 3 seconds

## LED INDICATOR

- **Bluetooth mode:** Blue and red lights flash at the time of pairing; Blue light flashes after successful connection is established.
- **Charging:** LED indicator lights up in red while charging and it turns blue when the device is charged.

## MAGNETIC EARBUDS

The earbuds feature inbuilt magnetic panels at the back for a tangle-free design as they lock together when not in use. This makes them easy to carry.

## VOICE ASSISTANT

- You simply need to long press on the multi function button for 2 seconds to initiate the voice assistant's working.
- You will get Google Assistant/Siri at your service.
