How To Pair

Place earphones within 1 meter distance from the phone.

Long press the Multifunctional Button for 3 to 5 seconds to turn on the power and initiate the pairing function. Red and blue lights flash alternately in pairing mode.

Turn on the Bluetooth function on your phone and search "**Melody-11**", then click to connect.

When successfully connected, indicator light will turn blue.

You will hear voice prompt, "**Connected**".

To disconnect, long press the multi-function button for 3 seconds.

LED Indicators

Bluetooth mode: Blue and red lights flash at the time of pairing; Blue light flashes after successful connection is established.

Charging: LED indicator lights up in red while charging and it turns blue when the device is charged.

Magnetic Earbuds

The earbuds feature inbuilt magnetic panels at the back for a tangle-free experience as they lock together when not in use. This makes it comfortable to wear around your neck.
